HOMEFRESH® ENTRÉE

The HomeFresh Entrée line brings premium design and a new modern look to microwave-ready containers. The line's stylish containers are able to keep meals safe and secure until ready for re-heating. You no longer have to worry about containers being tossed around as HomeFresh Entrée are designed for modular stacking, making them easy to carry or take with you. Our HomeFresh Entrée line has everything you need and everything your customer wants in a microwaveable container. Available with 3 lid styles: vented, non-vented, and PET.

- **Heat and Serve in One Container**

  Microwave-friendly polypropylene bases and lids save customers an extra dish to wash.

- **Help Prevent Leaks and Spills**

  Deep snap grooves hold lids securely, and easy-open tabs make them simple to open and reclose.

- **Wash and Reuse**

  Containers can be used again or recycled where accepted.

- **Pack Single Entrées or Complete Meals**

  Choose from 8- to 40-ounce black bases with one, two, or three compartments.

- **Save Space and Simplify Carryout**

  Lids and bases nest for compact storage, and filled containers stack neatly in takeout bags.

- **Showcase Cold Dishes**

  Clear, recycled PET lids are designed for cold-case display.

- **Add Your Branding**

  Add a wraparound label to larger lids while keeping containers stackable.

CH3-2

Choose from 2- or 3-compartment options to hold a variety of foods and keep them looking and tasting their best.

CH3-3

1. PET LIDS MADE WITH ecostar.
   an FDA food-grade recycled PET material made from curbside-collected bottles and thermoforms
2. 3 lid styles; vented, non-vented and PET
3. Deep snap grooves resist leaking
4. Designed for modular stacking
5. Wide variety of sizes and shapes
6. Easy open tabs
7. Sized to fit conveniently in takeout bags
8. Polypropylene bases and lids are microwave-friendly

HomeFresh Entrée bases with optional PET lids provide a sustainable option for cold-case foods while saving on inventory. No need to purchase different bases for hot and cold foods.
