

Simply Better Packaging®

BargerGard® Stock Pouches and Tip Protectors: Ready-to-Ship Ready to Perform

Versatile, Sterilization-Ready Packaging You Can Trust

Placon's BargerGard thermoplastic polyurethane (TPU) pouches and tip protectors offer a convenient, ready-to-ship alternative to custom packaging, designed to protect sharp and delicate medical components. With six stock configurations available, Placon ensures faster turnaround times and reliable protection, eliminating the need for costly custom solutions.

Why Choose Placon?

- **Unmatched Expertise:** Placon is a leader in medical packaging, offering unparalleled design and technical experience.
- **Cleanroom Manufacturing:** Our medical packaging is made in ISO Class 8 (100,000) cleanrooms, ensuring the highest levels of cleanliness to meet your sterile barrier requirements.
- **Certified Quality:** Placon is ISO 13485 certified, guaranteeing that our manufacturing processes comply with rigorous medical device industry standards.

BargerGard TPU Pouches and Tip Protectors: The Smart Choice

- **Superior Protection**
Thermoplastic polyurethane (TPU) material safeguards rough, sharp, and sensitive components, such as catheters, needles, screws, drills, and porous-coated implants.
- **Nonabrasive Design**
TPU is a soft, nonabrasive material that protects finished, polished, and other surfaces from damage as well as preventing denting or scratching to devices and other components.
- **Ready for Sterilization**
Compatible with ethylene oxide (EtO), gamma, and eBeam sterilization processes, ensuring that the protective packaging can meet the highest safety and hygiene standards.
- **Available in six stock sizes**
Die cut and welded into six configurations to meet your medical packaging needs.
- **Stocked & Ready to Ship**
With ready-to-ship stock sizes and samples available upon request, Placon ensures that you get the right packaging solution when you need it.
